Antworten

1) $24:6=0$

A horizontal number line with arrows at both ends. Major tick marks are labeled 0, 10, 20, and 30. There are 4 minor tick marks between each major tick mark, representing increments of 1. The number 24 is written above the line, between 20 and 30.

2) $16:8=0$

A horizontal number line with arrows at both ends. Major tick marks are labeled 0, 10, 16, and 20. There are 5 minor tick marks between each major tick mark, representing increments of 2. The number 16 is written in a larger, bold font compared to the other labels.

3) $10:2=0$

A horizontal number line with an arrow pointing to the right. It has major tick marks at 0 and 10, and minor tick marks every 1 unit. The label '0' is above the first tick mark, and '10' is above the tenth tick mark.

4) $40:8=$ 

5) $6:2=0$

A horizontal number line with an arrow at the right end. There are 11 tick marks in total, including the starting point at 0. The tick marks are evenly spaced. The number 0 is written above the first tick mark. The number 6 is written above the sixth tick mark. The number 10 is written above the eleventh tick mark.

6) $40:10=0$

A horizontal number line with major tick marks at 0, 10, 20, 30, and 40. There are 10 minor tick marks between each major tick mark, representing increments of 1. The line is labeled with the numbers 0, 10, 20, 30, and 40 at the major tick marks.

7) $15:3=0$

8) $18:9=0$ 

9) $27:9=0$

A horizontal number line with an arrowhead on the right. Major tick marks are labeled with the numbers 0, 10, 20, 27, and 30. Between each pair of consecutive major tick marks, there are 10 smaller, unlabeled tick marks, indicating a scale of 1 unit per small tick. The line starts at 0 and extends to the right, passing through 10, 20, 27, and ending at 30.

10) $36:9=0$

A number line starting at 0 and ending at 40. Major tick marks are labeled at 0, 10, 20, 30, 36, and 40. There are 10 small tick marks between each major tick mark, representing increments of 2. The line ends with an arrow pointing to the right.

11) $8:4=0$

A number line starting at 0 and ending at 10. The line has major tick marks at 0, 5, and 10. There are 4 small tick marks between 0 and 5, and 4 small tick marks between 5 and 10, dividing each 5-unit segment into 5 equal intervals of 1 unit each. The number 8 is labeled above the 8th tick mark from 0, and the number 10 is labeled above the 10th tick mark from 0. The line ends with an arrow pointing to the right.
